FOREWORD

We are indeed fortunate to be a part of a generation that is laying the foundation in the planning and building for the future of our community. It is the hope of the El Pacheco staff that our theme, "Building for the Future," will be a guide for all of us through the years to come.

DEDICATION

It is with pleasure that the El Pacheco staff dedicates the 1963 El Pacheco to Mr. Caryle G. Loftin. Since coming to Los Banos High School in 1930, Mr. Loftin has served as physical education director, coach, principal, and superintendent. In each of these capacities he has devoted his full energy toward the betterment of our school and its place in the community. We are deeply appreciative of the part Mr. Loftin has played in making Los Banos High School one of which we can be proud to be a member.

Janel —
a real swinging
kid. All the luck in the
world to you. Be nice
I'll be awaiting for you
in the summer. God bless you.
Always

PRINCIPAL'S MESSAGE

In spite of the crowded conditions, this school year has been comparatively smooth in operation. This has been primarily due to the good attitude of the students. They have been wonderful in their cooperation and understanding of the problem the Board of Trustees and Administration have faced in providing for our ever-increasing enrollment.

Over one hundred thirty students will graduate from the Los Banos Union High School this June for the first time in our history. I congratulate all of these students and hope they will continue their education beyond high school. To all of the graduating seniors, I wish for you a happy life filled with loyal friends and work from which you derive satisfaction and happiness.

The 1962 Tigers roared to their fourth consecutive Trans Valley League title and their second consecutive undefeated League season. The season was marked by a number of new school and League records. Fifteen different squad members scored TD's as the team set a new school scoring mark of 330 points and a new Trans Valley League scoring record of 255 points. The defensive unit also set a new League record by allowing only six points in five League games. A perfect season was missed when the inexperienced Tigers dropped the second game of the season to their traditional foe, Dos Palos 20 - 6. All 41 members of the Tiger squad earned a Block Award.

JUNIOR VARSITY

With a triumphal 25-21 win over the Hollister Junior Varsity squad, our Frosh-Soph football team began its 1962-nine game season. After being defeated 27-7 by Dos Palos in their second game, the Banbees came back with a 20-7 victory over Hilmar and followed this by pushing over Oakdale 12-0. For the next game, the Banbees traveled to Patterson and won that game 24-13. In the next game, the Banbees won 13-0 over Linden. Although our Frosh-Soph team was defeated 6-0 by Livingston, they made a fighting comeback and stormed over Escalon 40-0. The Banbees lost the last game of the season when Hughson slipped by 7-6.

Our Frosh-Soph team, which consisted of Freshmen and Sophomores, scored a total of 147 points; 83 of the points were obtained in League play. Opponents made a total of only 72 points, Mike Azevedo was elected Banbee Team Captain of the year.

Funds for the trip were made possible through the combined efforts of the band members, the Band Boosters, and the High School trustees.

While in Long Beach the band stayed at the Royal Lancer Hotel. High school staff members accompanying them were Robert Smith, director; Deanna Harders, Ruth Berta, Richard Price, and Don Clarke,

In addition to their participation in the parade on Saturday, the band members had time for sightseeing and parties in their rooms. On Saturday night they attended the awards ceremony and dance held in honor of the visiting bands.
